

The image shows a customised pattern layout.

JAGUAR TEXTILE combination mat

JAGUAR TEXTILE is a hard-wearing entrance mat with a textile insert, designed for demanding environments with heavy traffic. It combines effective moisture and dirt absorption with an open-perforated vinyl pattern that traps large amounts of dirt and snow, whilst providing two-way drainage. Its low weight makes the mat easy to handle and roll up, whilst the modular system allows for flexible adaptation to suit any entrance area and interior design. Available in several thicknesses and can be made to measure for an optimal solution. Can be combined with the JAGUAR scraper mat. Manufactured as standard in a brick pattern; can be customised on request.

H 12/16/20/25 mm
W 40 cm
D 10 cm

Mounting anchor for mats
longer than 3 metres.

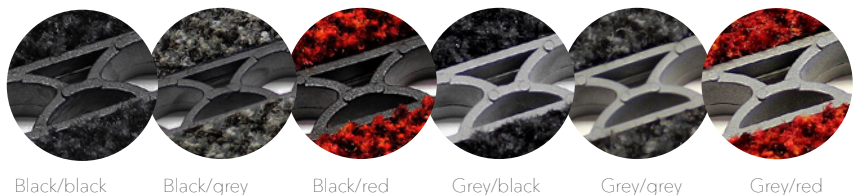

Environment:	For indoor and outdoor use, 12 mm suitable for low traffic. 16-25 mm suitable for medium/high traffic entrances.
Property:	Good scraper function, Non-slip, double-drained backing. Emission test M1: ISO 16000-9: TVOC 41 µg/(m²h). Class A+.
Material:	Module: UV-resistant vinyl, 50% recycled (pre-consumer) Textile insert: 100% recycled polyamide (ECONYL 24%) Recycled content: 42% (2% post-consumer and 40% pre-consumer)
Thickness:	12 mm, 16 mm, 20 mm, 25 mm
Fire classification:	Cfl-s1
Care:	Rollable, vacuumed and rinsed when needed.
Guarantee:	10 years
Packaging:	Module 40x10 cm. Packaging 12, 16, 20 mm, 24 modules = 0,96 m². 25 mm packaging, 20 modules = 0,8 m.
